

## Evaluating your breeding project

1 Please provide your contact information below:

Title	Name
Institution	Address
City	State/Province
Zip/Postal Code	Email
Phone	Fax

2 What is the species and nomenclature of your strain?

Mouse      Rat

3 How many animals will you provide us to start with?      Males      Females      Genotype

4 What is the current health status of your colony?      SOPF      SPF      Conventional      Unknown

5 What is the expected health status for your colony?

SOPF *(Envigo standards)*      SPF *(Envigo standards)*      Conventional      Unknown      Custom health monitoring program

6 How many cages do you have currently for this breeding?

7 Breeding scheme?

8 What is the goal of this breeding?

- |   |  |
|---|--|
| A. How many animals per batch?                  | B. Expected sex?      Males      Females      Both |
| C. Expected genotype?                           | D. Age range at shipment?                          |
| E. Frequency of shipment?                       |  |
| F. Shipment address: <i>Your address</i>        |  |
| <i>Other facility (please precise the city)</i> |  |
| G. Current location of colony                   |  |

9 Do you have any special requirements? More options possible.

Diet	Aging	Weighing	Cryopreservation	Tissue collection
Treatment	Blood sampling	Observation	Rederivation	Others
